06 - Upper Mall - Proposed

1 : 250

Notes:

This drawing is intended as a rough indication of development capacity and should not be measured from nor should it be relied upon for anything more than a schematic design. The drawings at this stage are intended to illustrate a point in time within the design's development, the layouts will be subject to further review of Building Regulation compliance as well as planning approvals.

This drawing is produced using an interim issue of a survey model, any discrepancies regarding the existing building will be captured with the first issue of the survey model.

Any structure shown is indicative and subject to co-ordination with structural engineer
